ABOUT JARED

Jared began his love of the art of magic at the very early age of eight years old. Holiday 'Magic Shows' for the family became a tradition at the Sherlocks'. Jared will finish his BA with a major in Theater Entrepreneurship at Saint John's University in 2011 and is currently enjoying a career in live entertainment. The McKelvey Foundation recognized Jared in 2007 as one of the nations top 50 high-school entrepreneurs. SOCIAL RESPONSIBILITY

My parents have always encouraged me to have a cultured view on life and to challenge my own perspectives. In high school and college I have studied social movements by getting out of the class room and getting involved in the community. Through my entertainment and business operation (The Magic of Jared Sherlock, of Sherlock Studios, LLC.), I have been actively seeking ways that my work might become a meaningful source of social change.

The idea is simple with our company. We want to give you the opportunity to enjoy live theater and entertainment, while offering ways to get involved with positive causes in your community. We feel teaming up with these organizations is vital in creating a just and peaceful world.

Your attendance has helped raise over \$50,000 dollars for midwest communities!
